4<sup>TH</sup> DECEMBER 2019

REF: TO WHOM IT MAY CONCERN

Dear sir/Madam

I am Mary Gaturu Wanjiku a beneficiary of Umbra foundation for ten years. They sponsored me from class two to form four. I completed class 8 in 2012 at All Saints Njabini Academy where I passed with three hundred and seventy six marks and joined Mama Ngina Girls in 2013. I sat for my national exams (K.C.S.E) in 2016 and got a B- of 59 points. All these was made possible by the help I received from Umbra foundation. I am so grateful for your support.

I joined Maasai Mara university in 2017 with the help of my brother but I dropped out in 2018 due to difficulties in paying fees after I lost my brother. I would like to complete my education that is the reason why I chose to ask for your help. If given an opportunity to continue my studies I am going to put more effort. I am a hardworking and committed person so I will be grateful if you consider my request.

Yours faithful,  
Mary Gaturu.
