# THE FOUNDATION AND THE PANDEMIC

The COVID 19 pandemic forced us to rethink some projects planned for 2020 and to postpone some of them to 2021. In particular, in response to the health, economic and social emergency we were able to:

- donate a **thousand overalls and masks** to the Reanimation Department of the Foligno Hospital (€ 5,000).
- organize a fundraiser for families in difficulty in the area for the purchase of **food, basic necessities, diapers and baby products** [Distant but close to families - € 19,795].
- allocate the amount received from 5x1000 2017 to the creation of **4 weeks of educational workshops for frail children who have not had access to distance learning** (RI-ESCO - € 7,000).
- guarantee **disinfectants, masks, gowns, shoes, quick swabs** for guests and operators of the Serafico di Assisi (€ 6,000).
- guaranteeing **PPE for healthcare personnel, 160 visits for cancer patients and free psychological support** for the families of the victims of COVID 19 (ANT - € 9,000).
